

Patient: _____

HOME HEALTH NOTICE

When receiving home health benefits Healing Spirit Integrative Health Center **cannot** bill your insurance for treatment. Insurance companies require all medical services be billed through the home health agency while you are receiving their services.

It is your responsibility to inform us when/if you begin receiving home health benefits. You will be responsible for payment of the treatment provided if you fail to notify us that you are receiving home health benefits.

If you have any questions please feel free to ask to speak to one of the following people:

Connie Long, Manager

Susan Johnson, Lymphedema Care Coordinator

Katie Howell, Billing specialist
